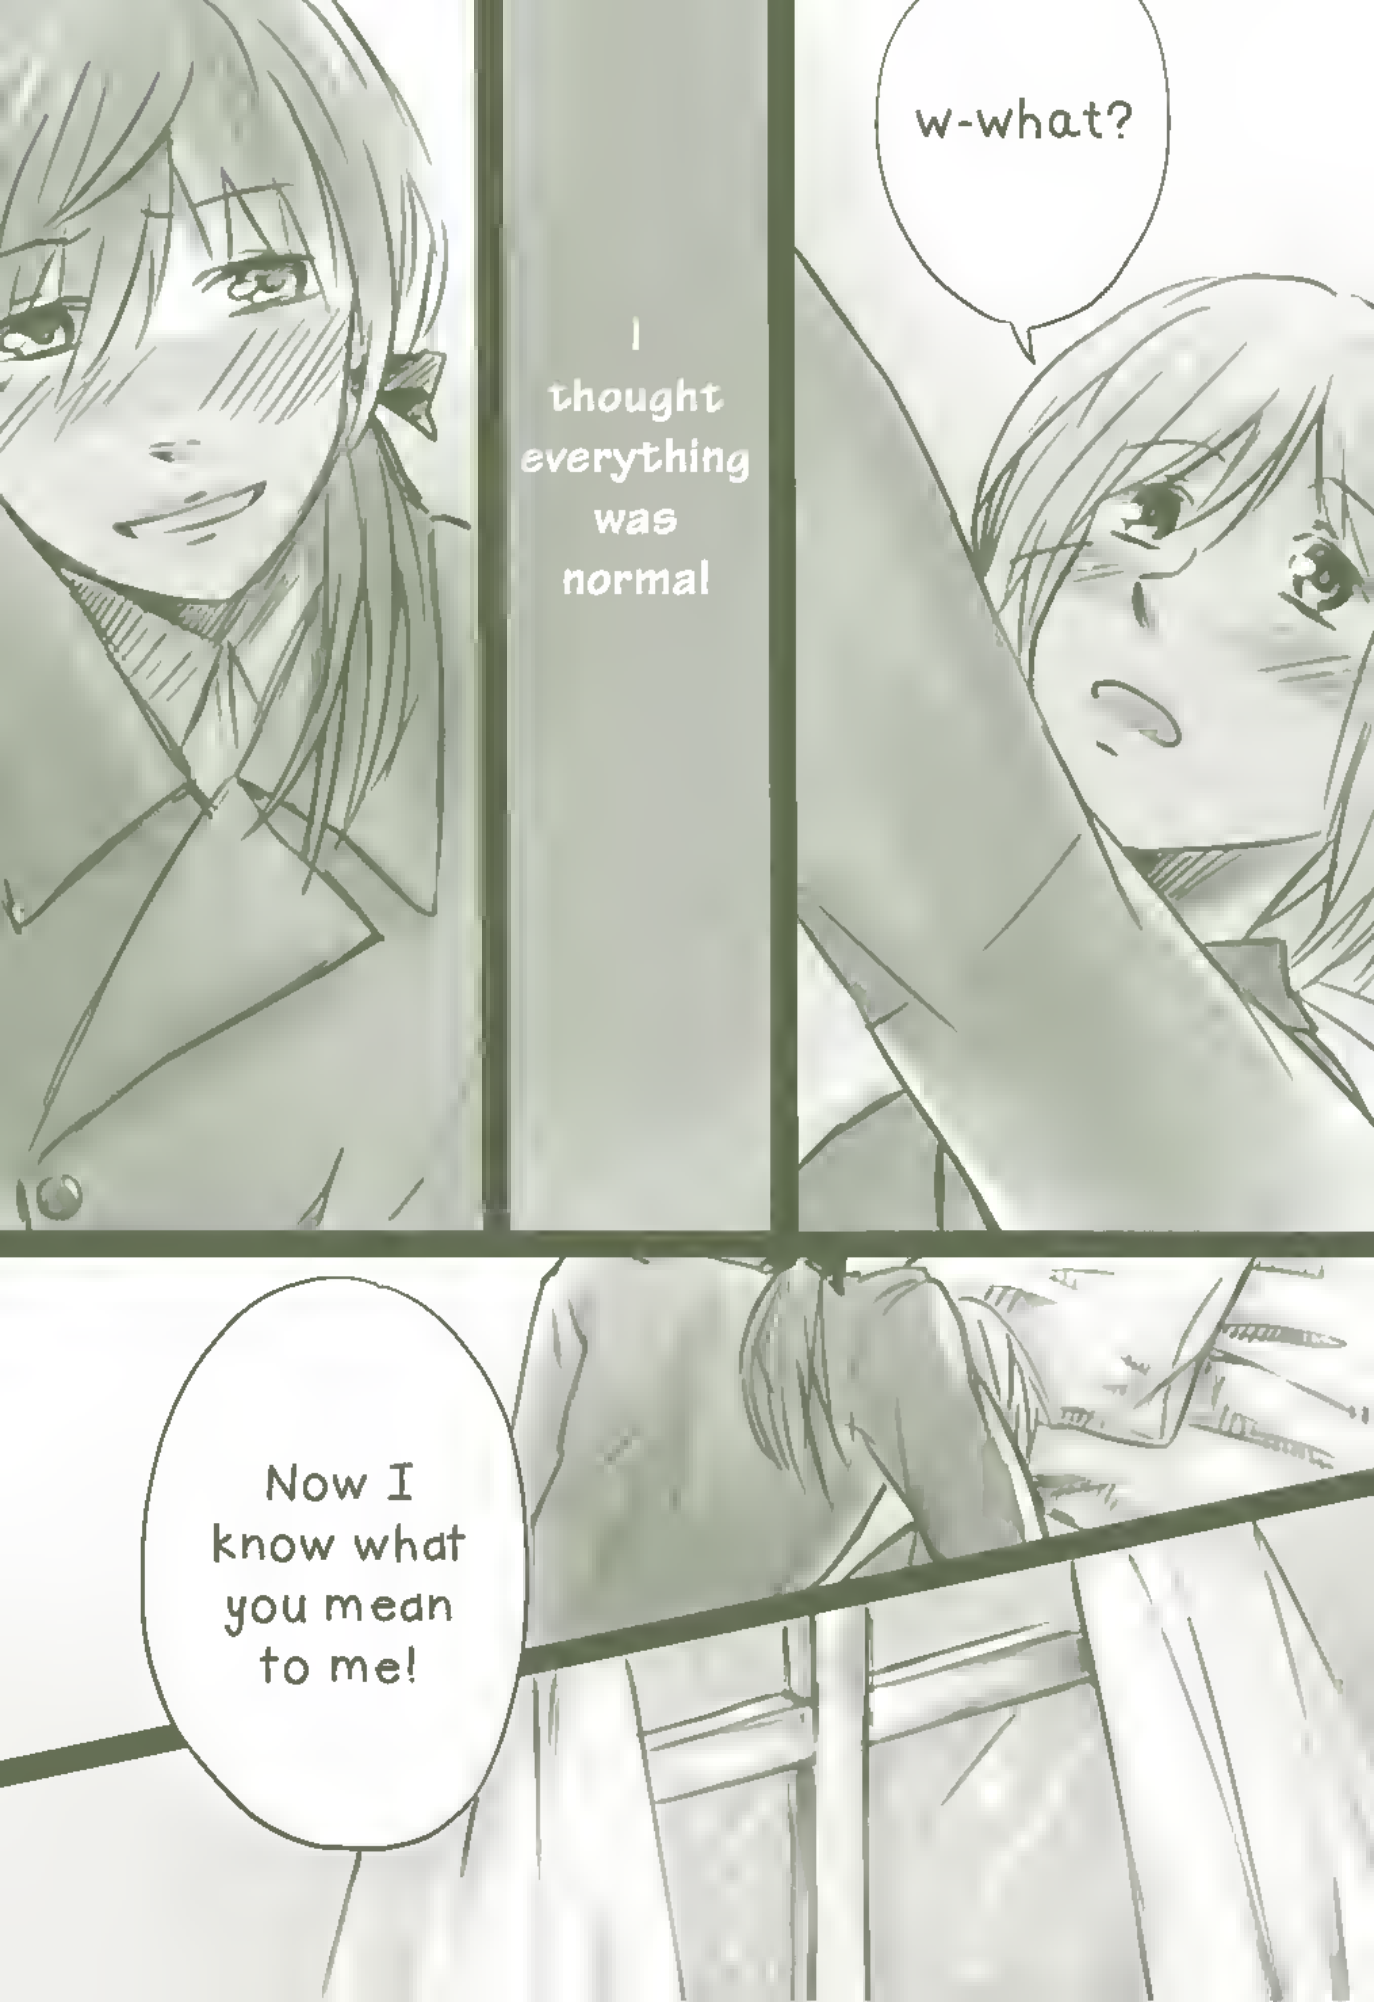
Resonance



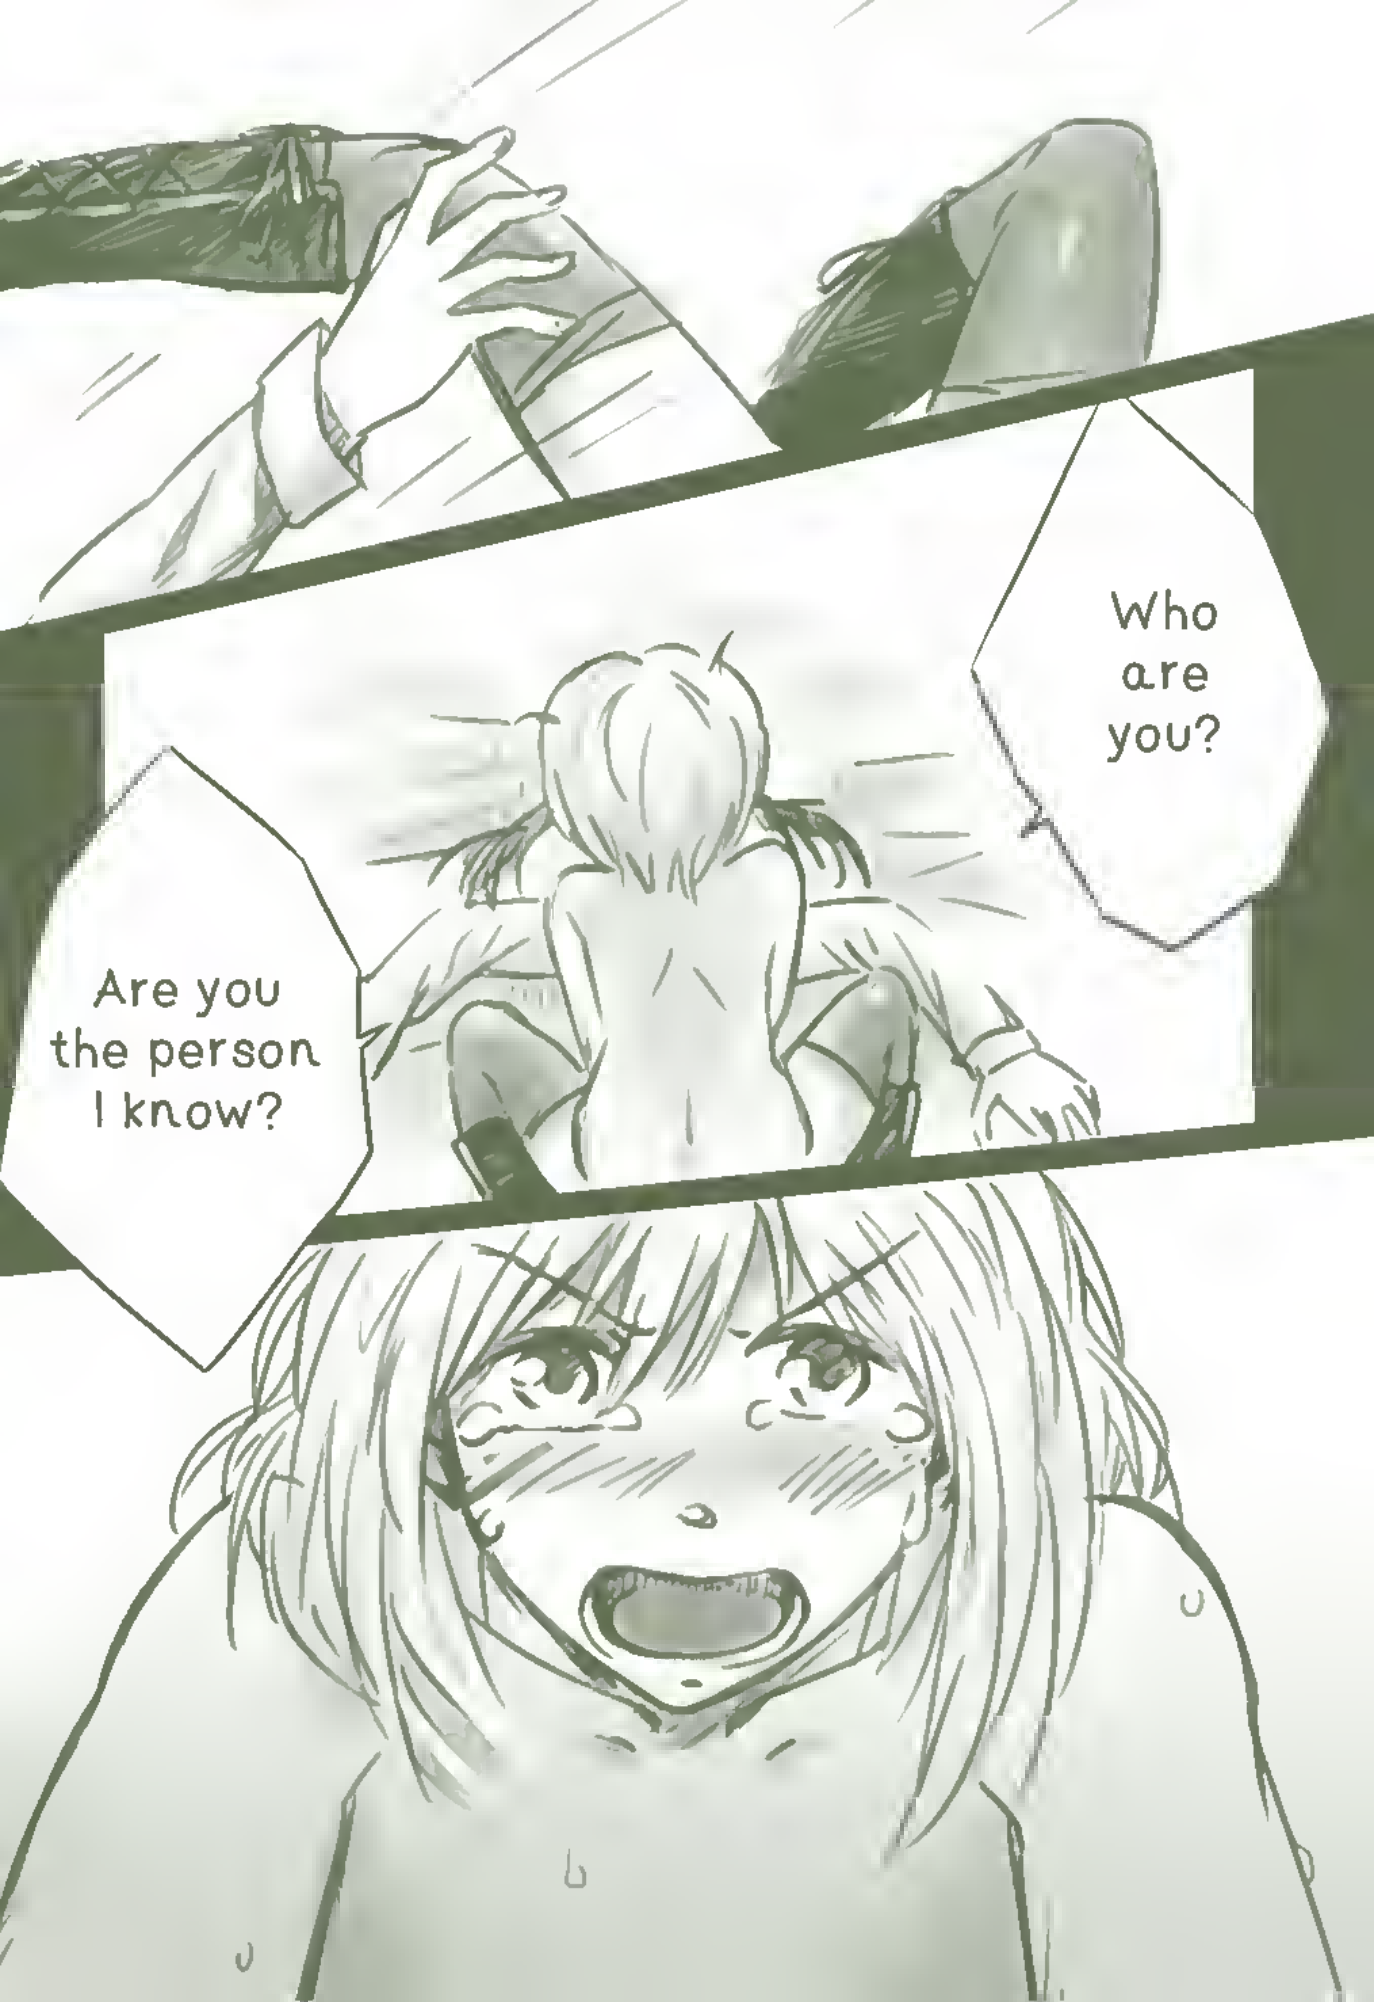
w-what?
I thought everything was normal
Now I know what you mean to me!

I thought it was a matter of course for her to be with me
But those were just what I thought it was

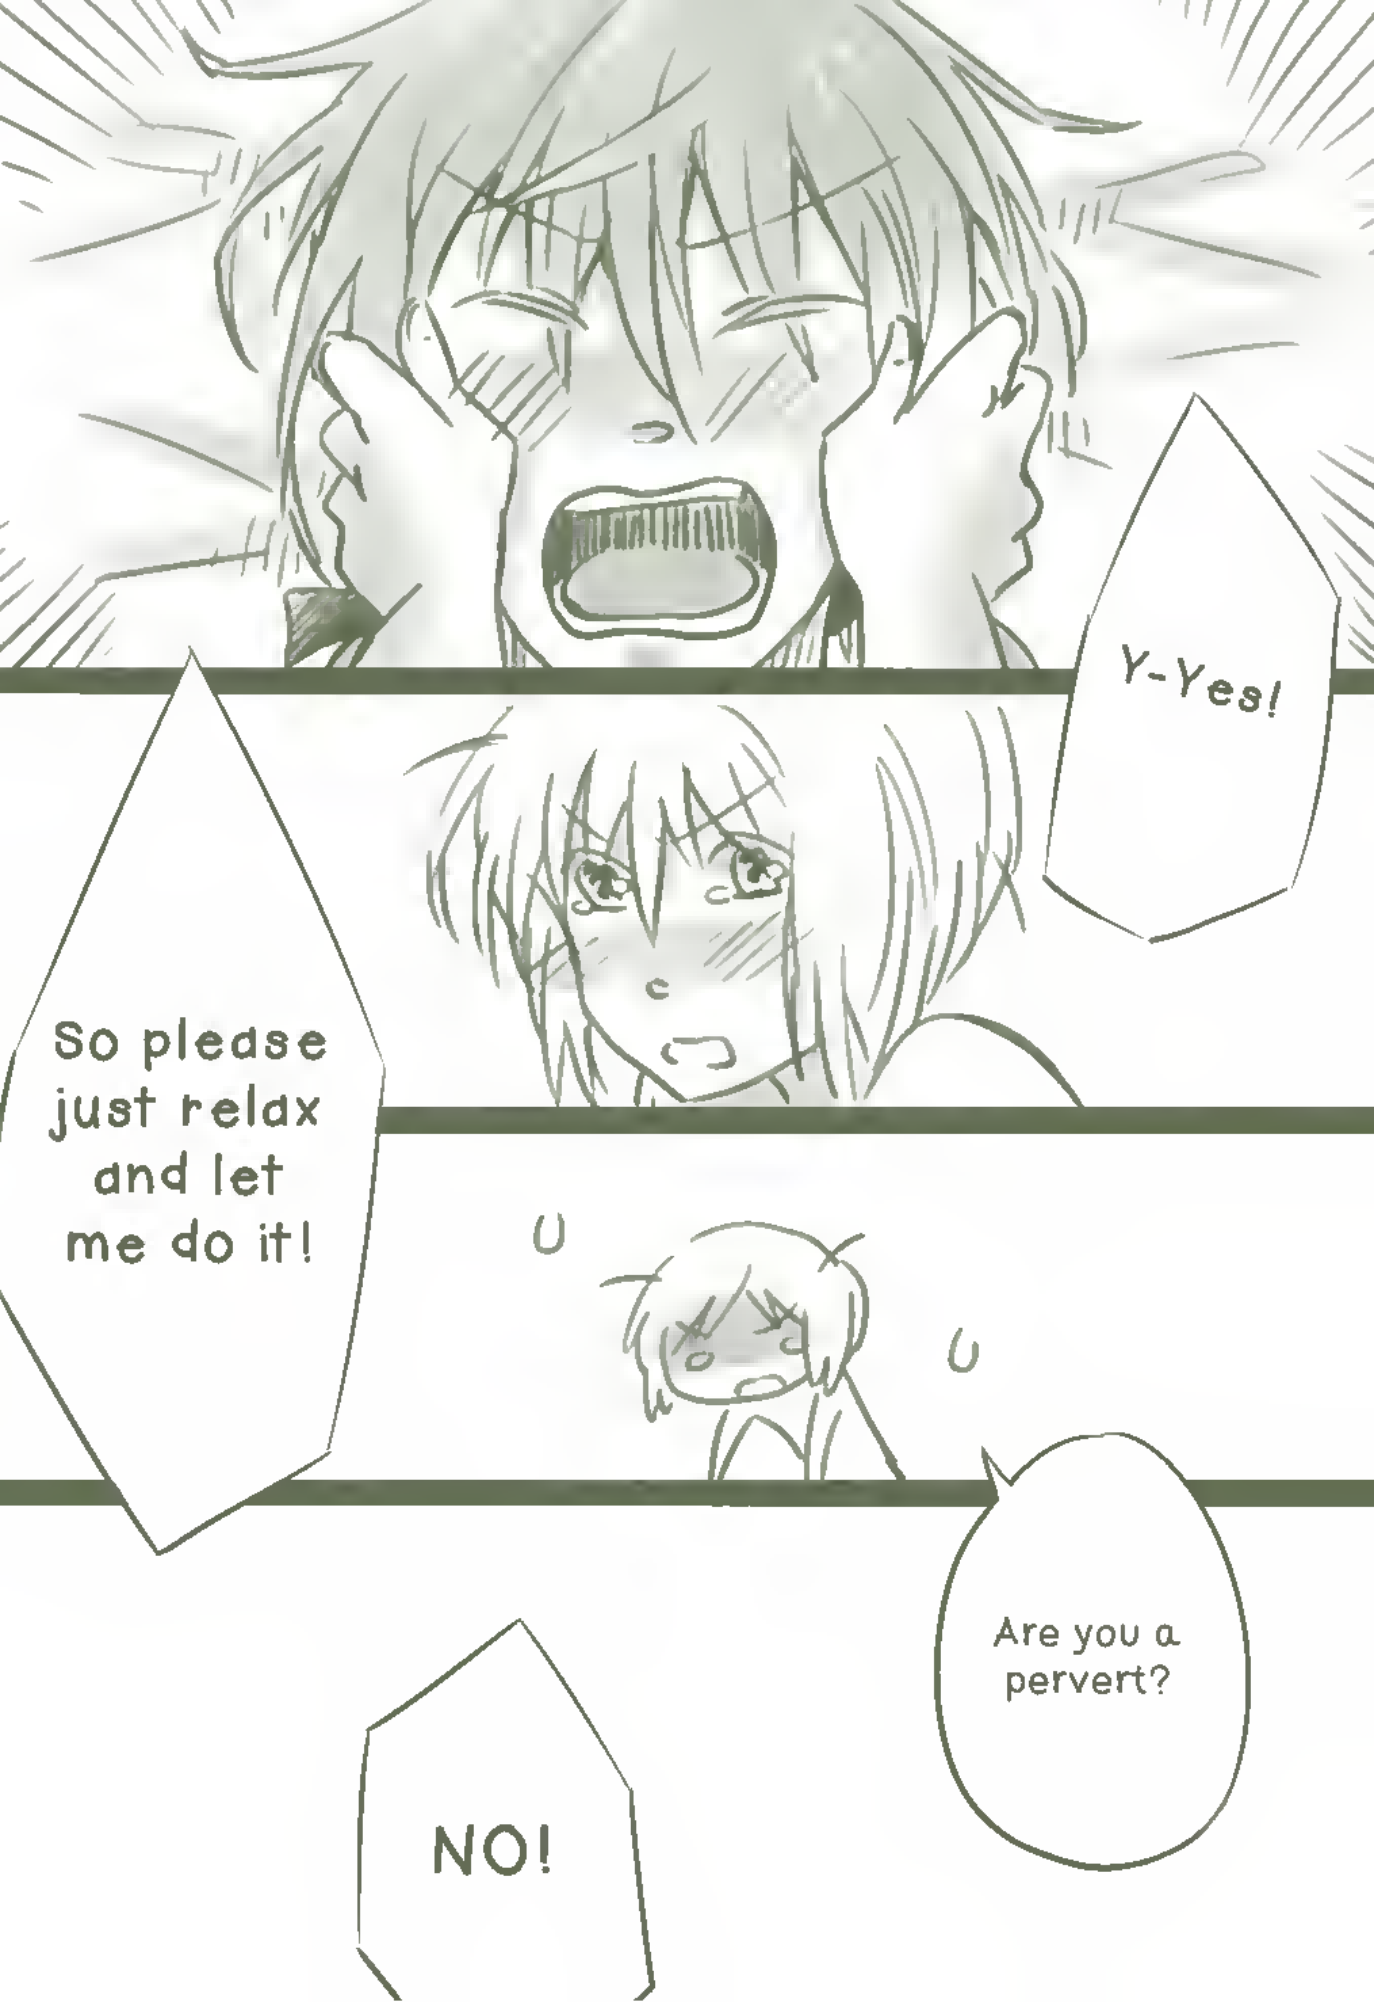
But you are the person who makes me able to rely

Can I let you carry me?

NO!

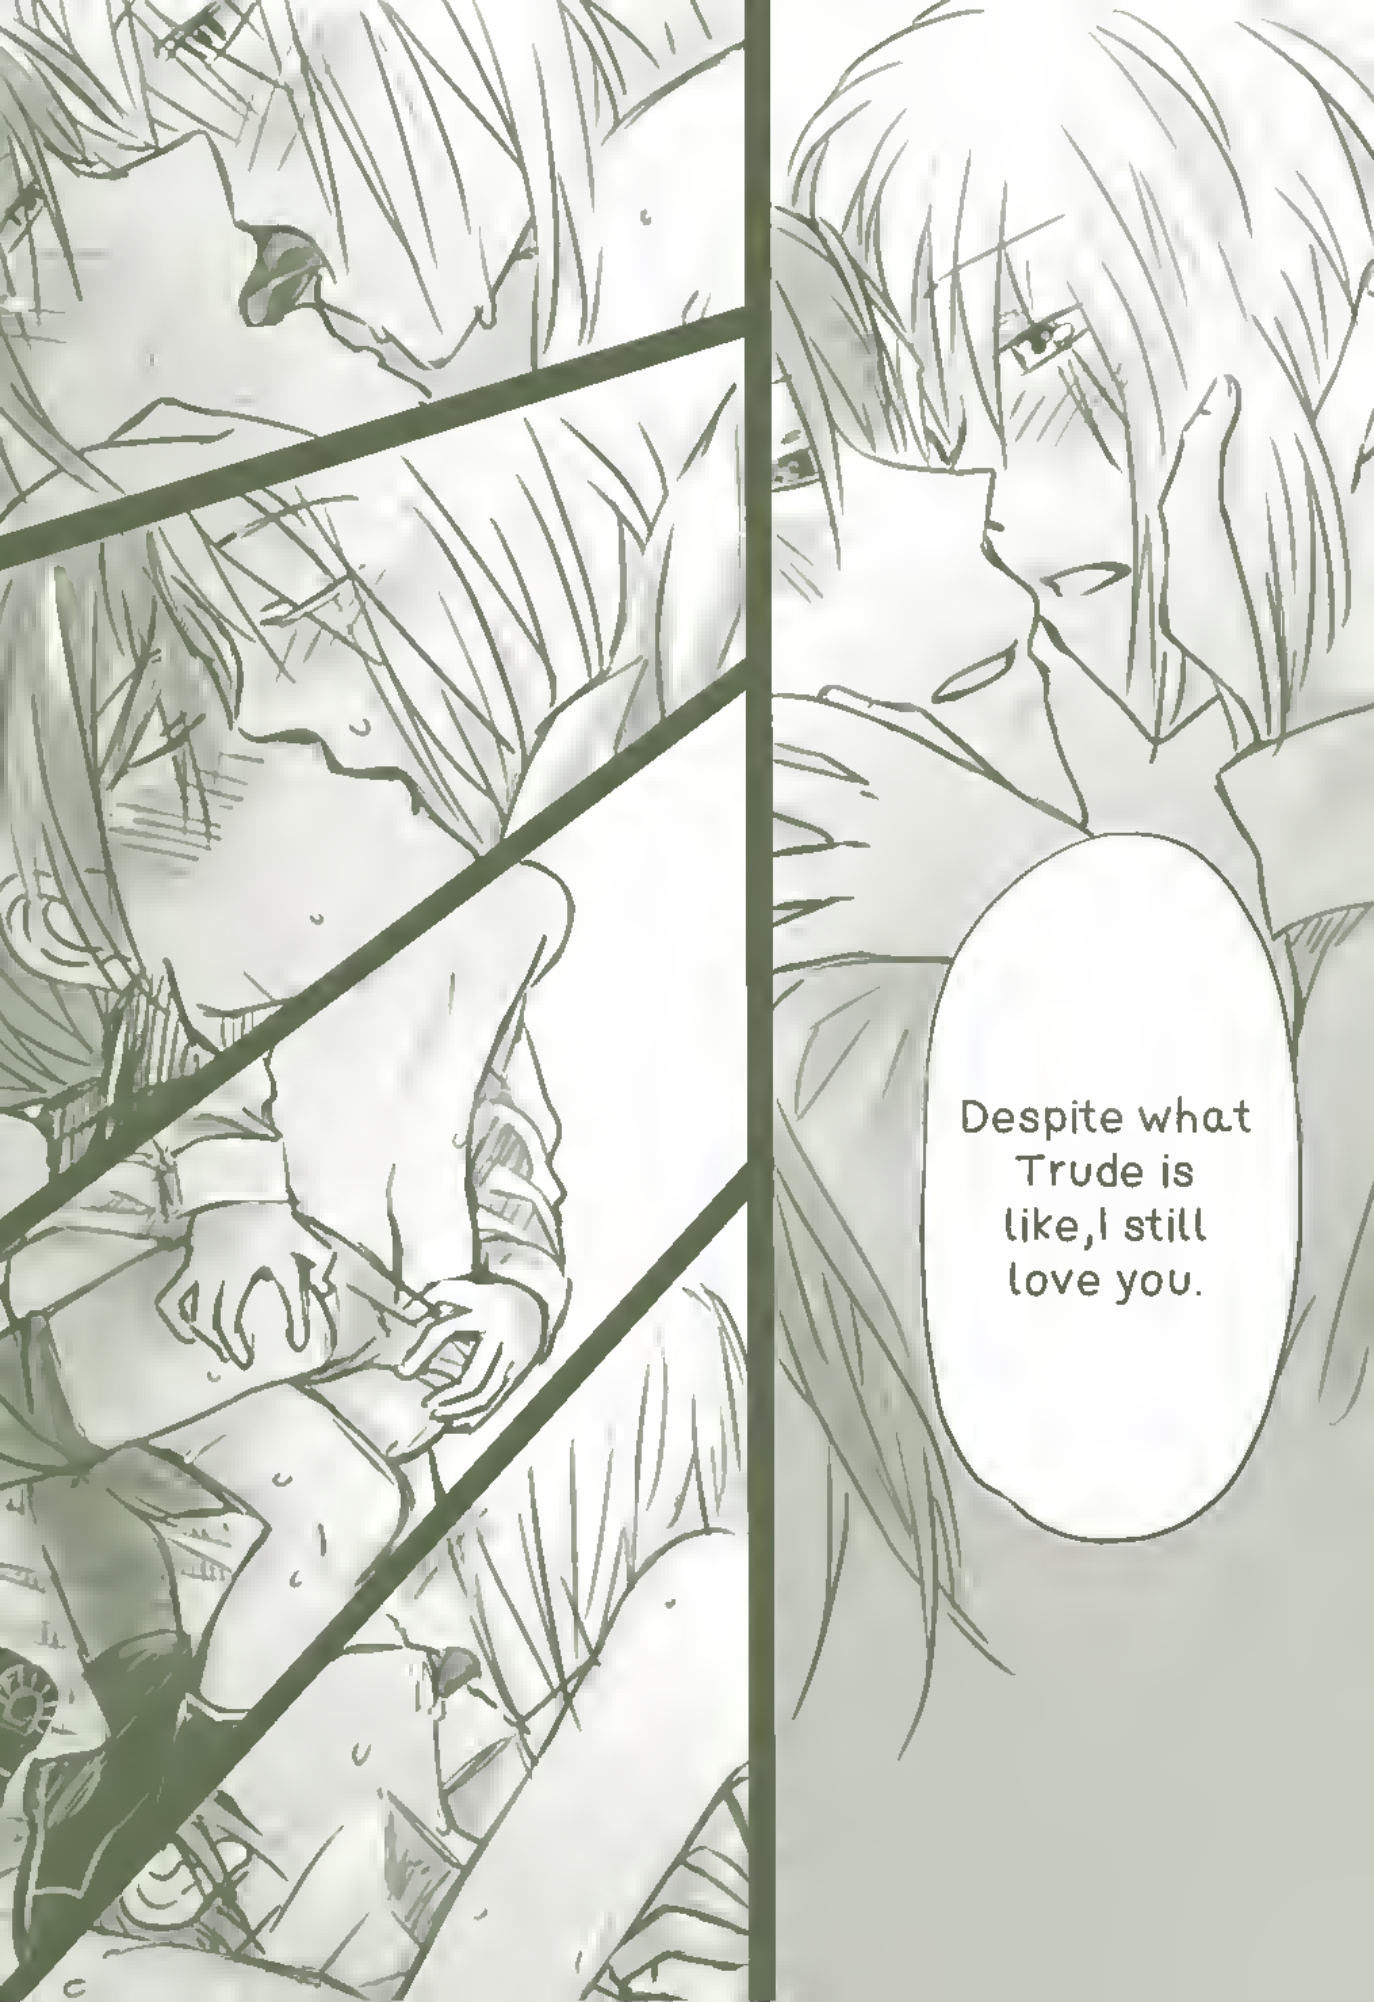


Who are you?
Are you the person I know?

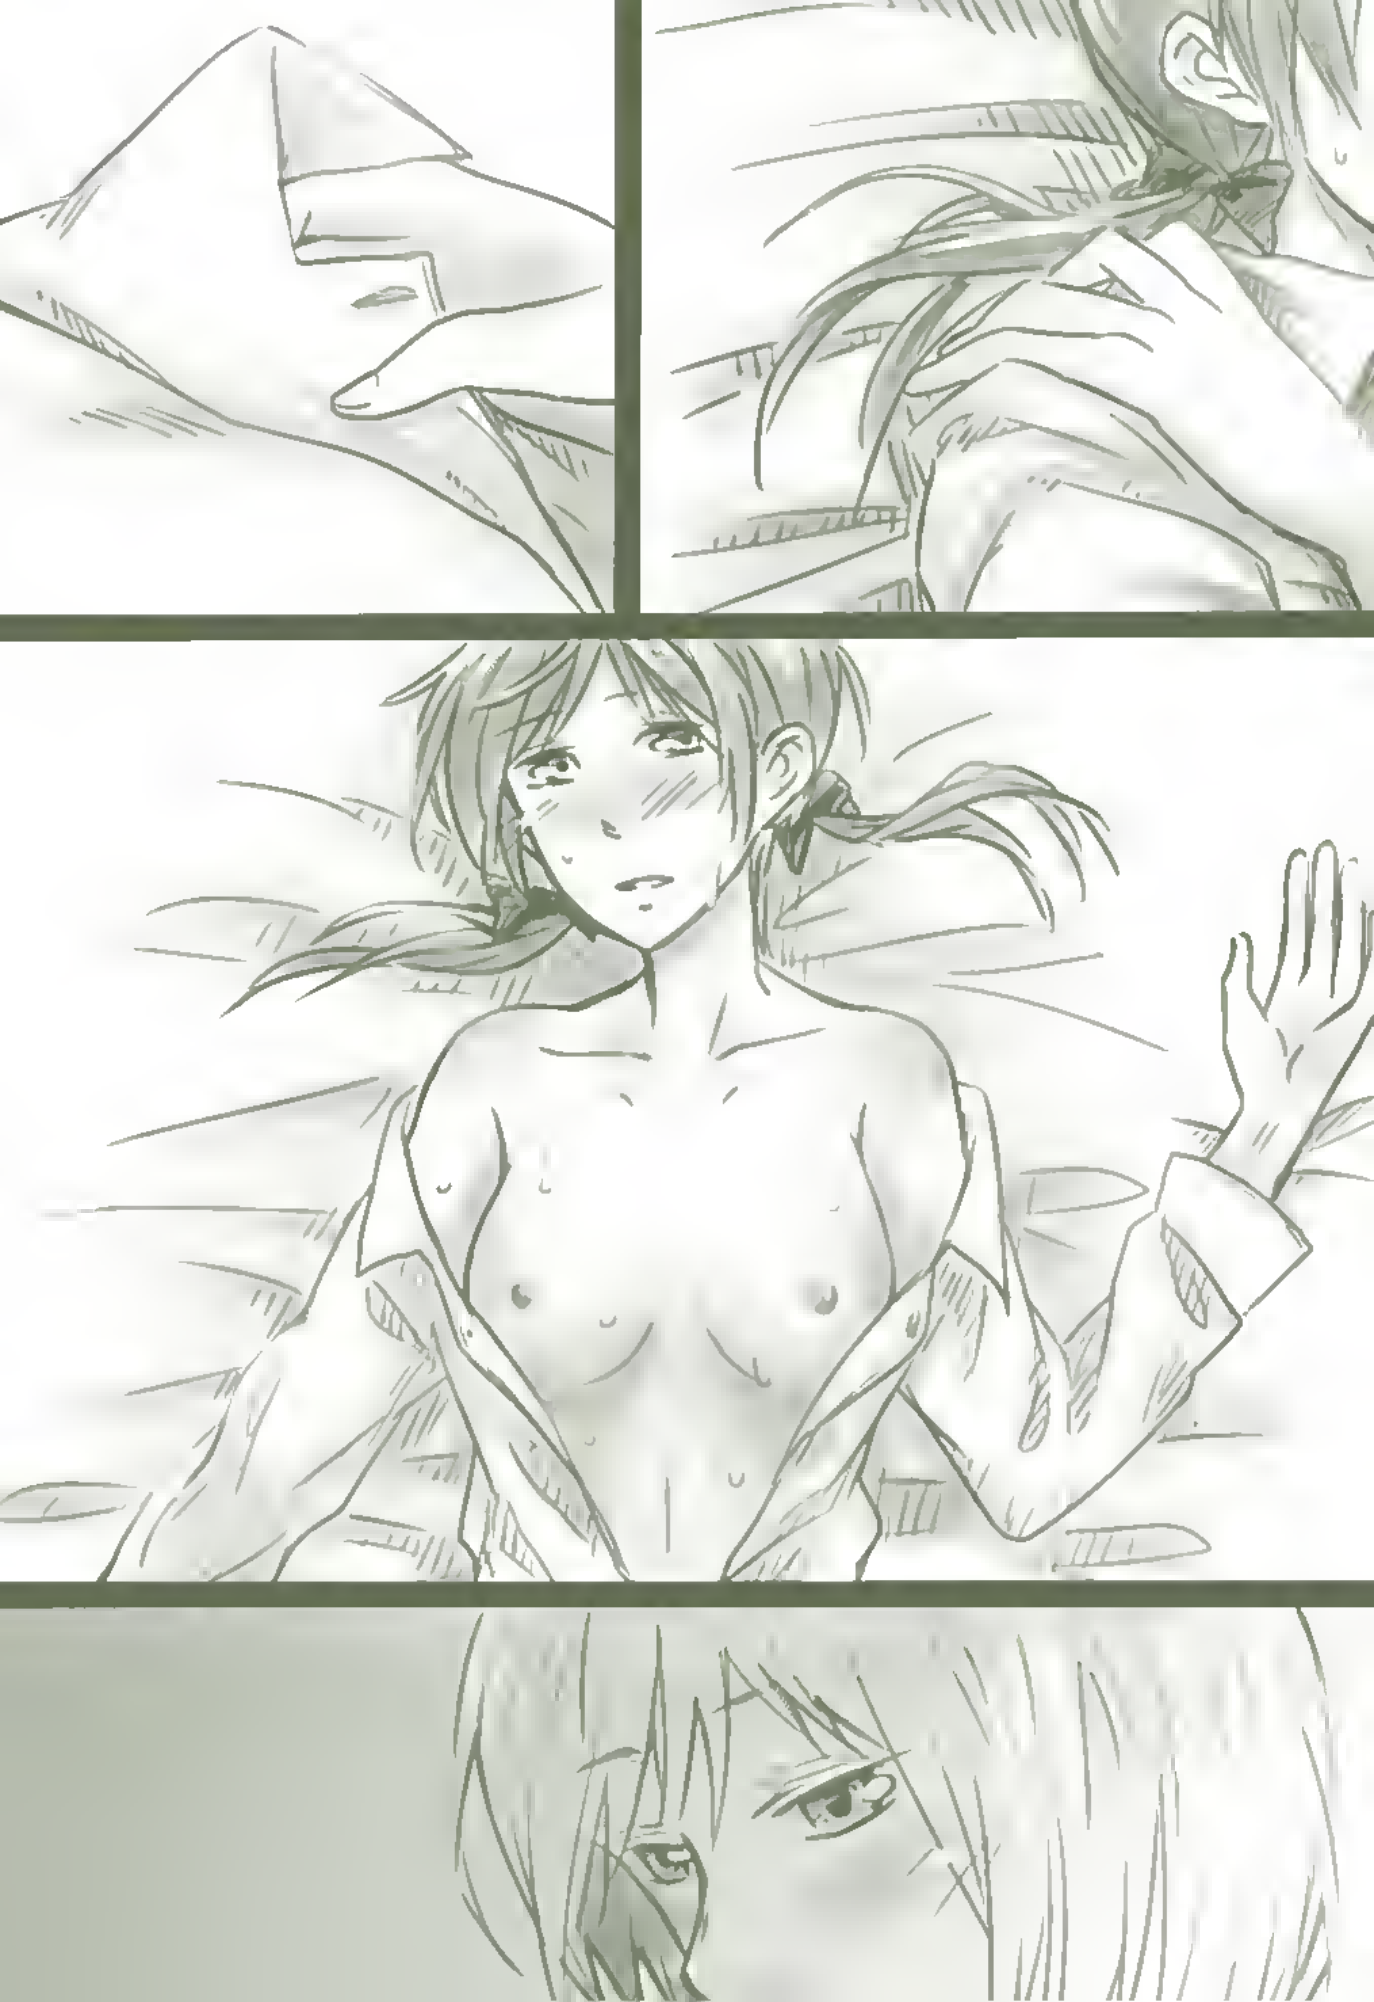


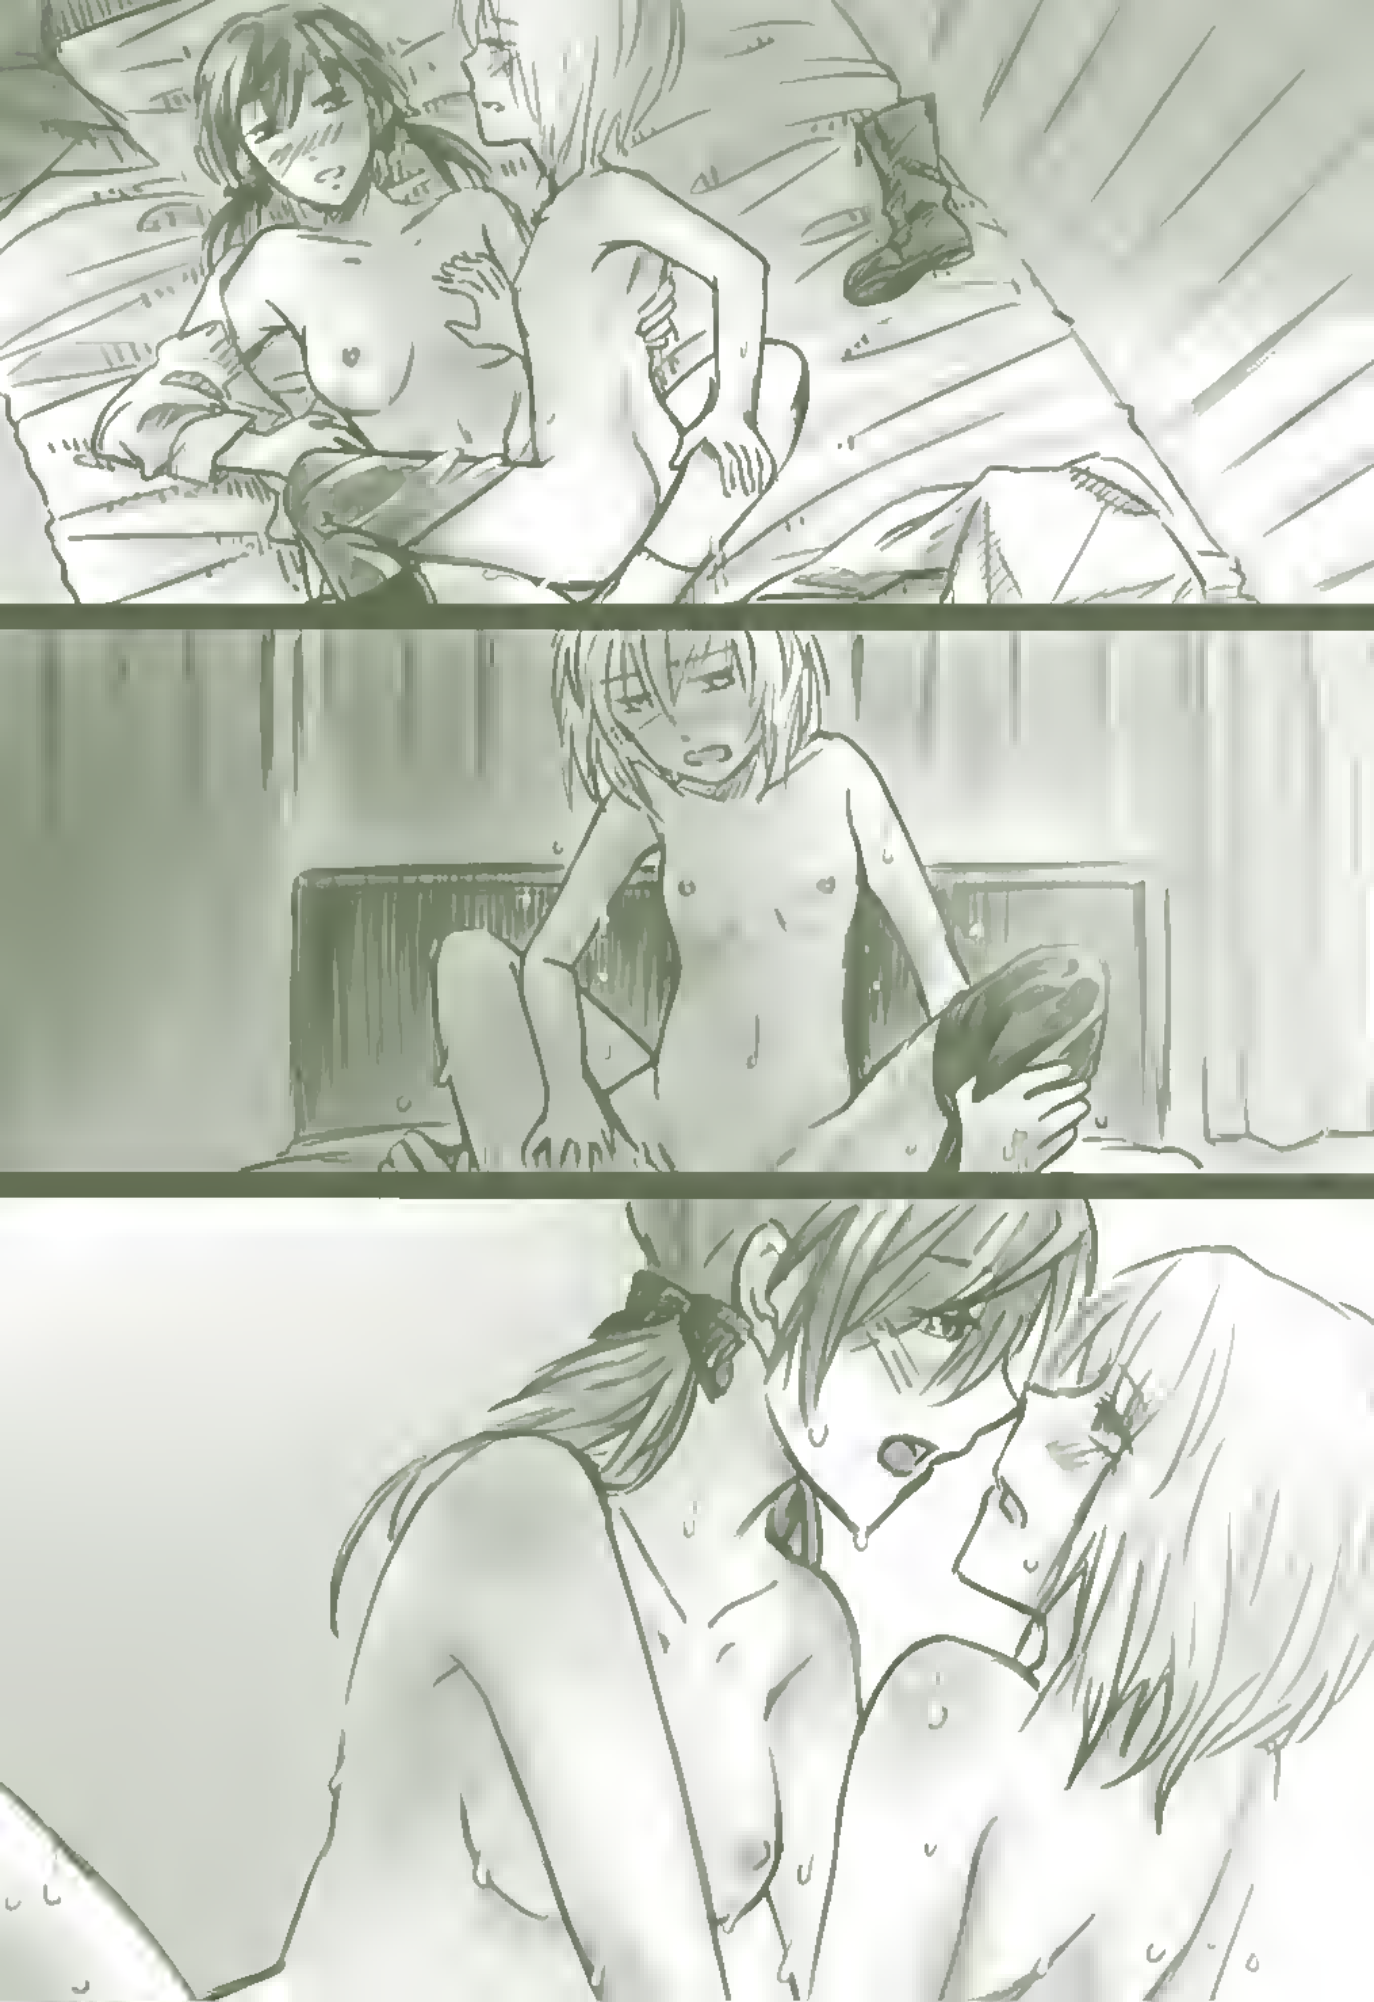
Y-Yes!
So please just relax and let me do it!
Are you a pervert?
NO!

So...do you still... love me?
... Love.
Then there's no problem.



Despite what Trude is like,I still love you.

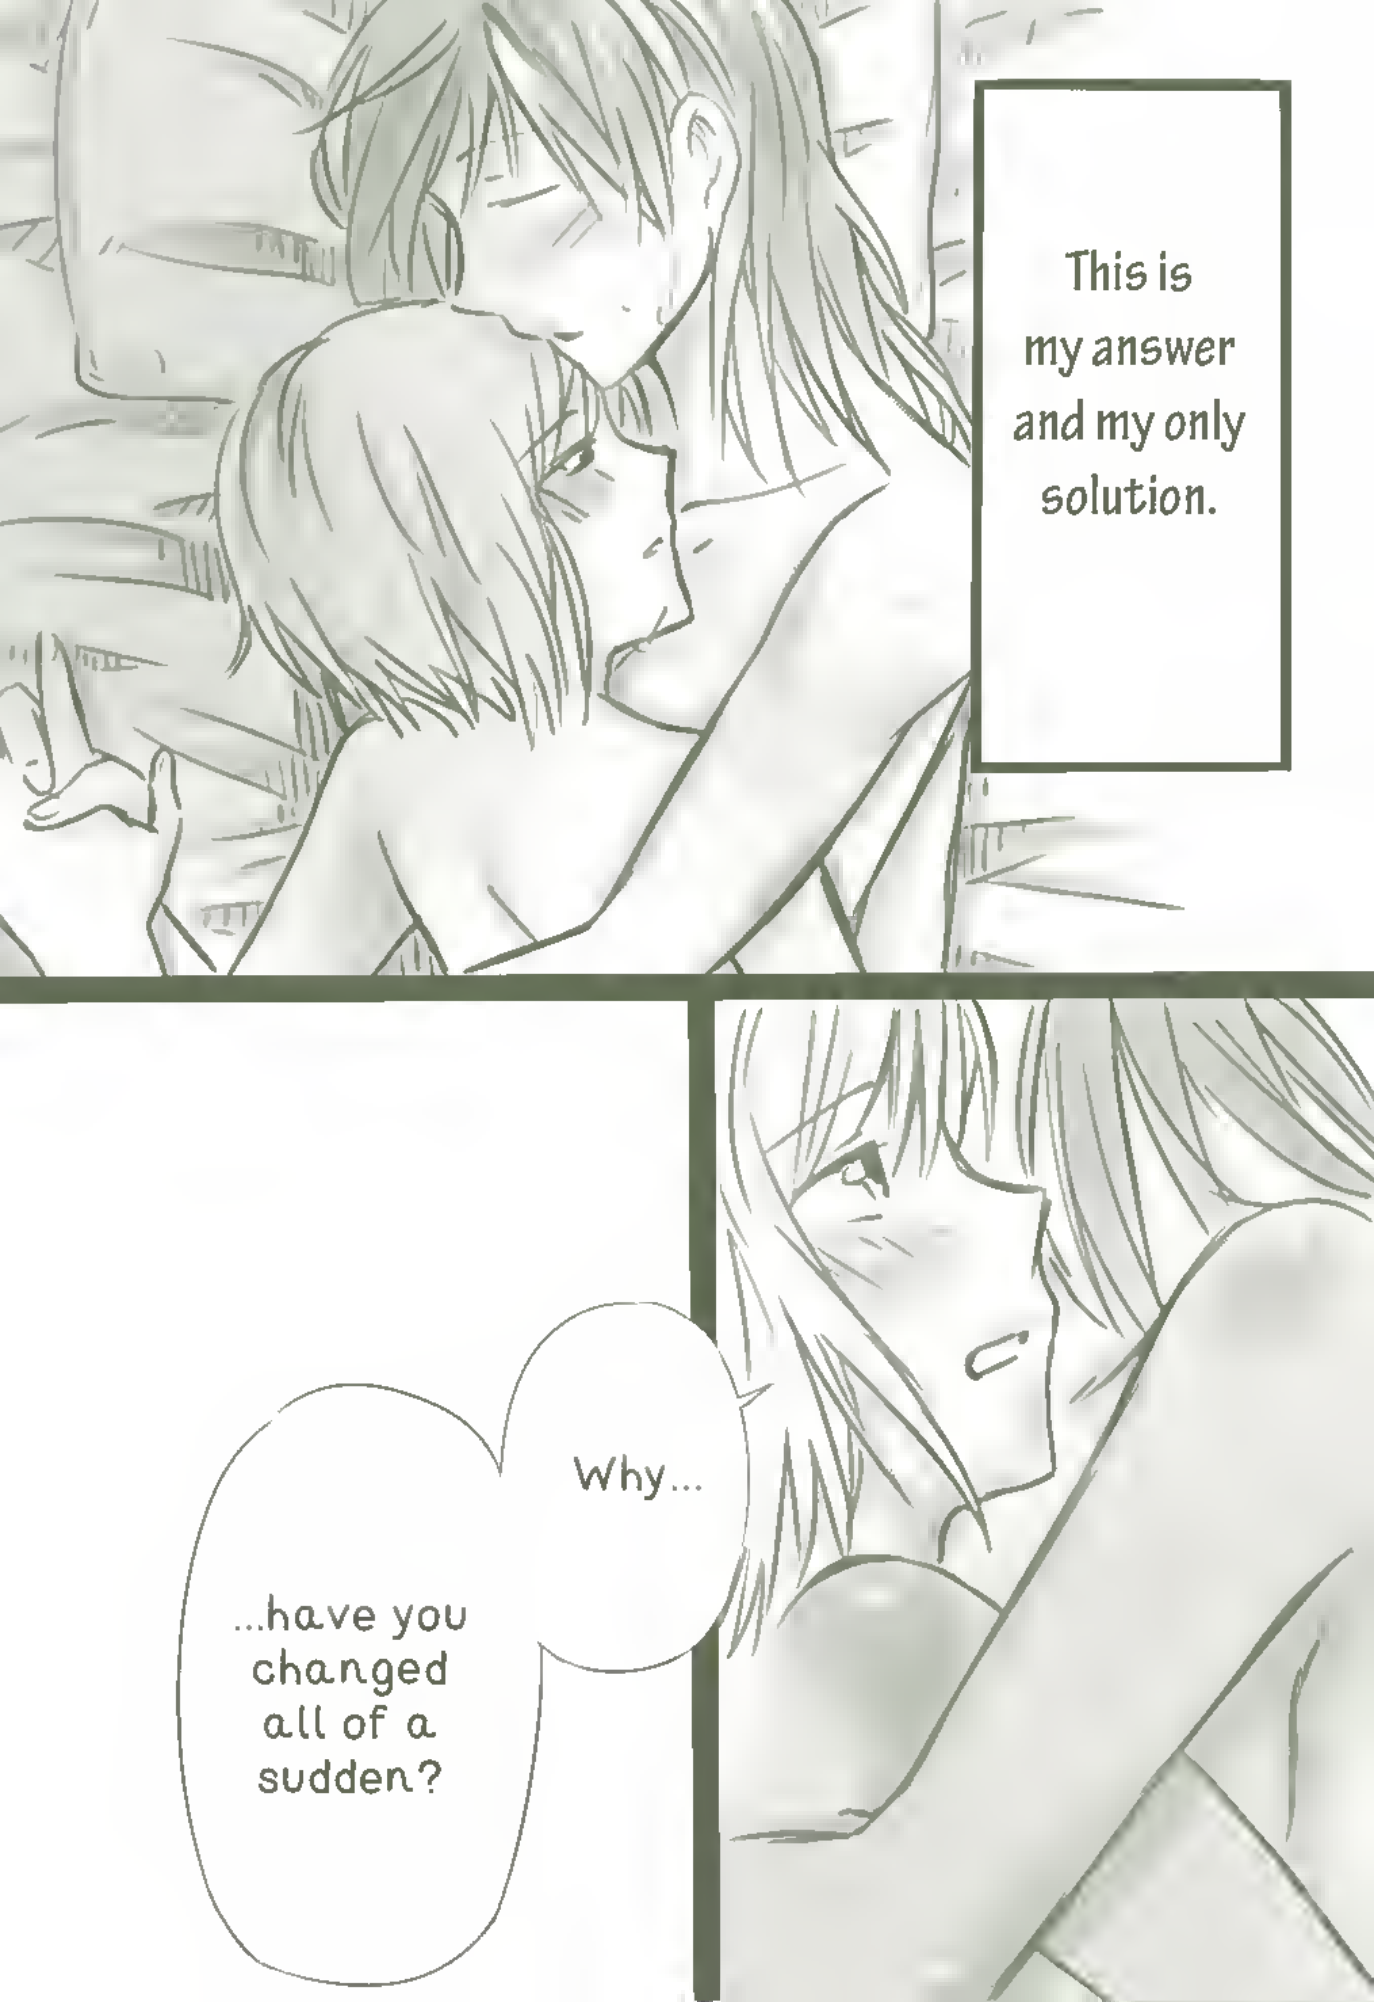




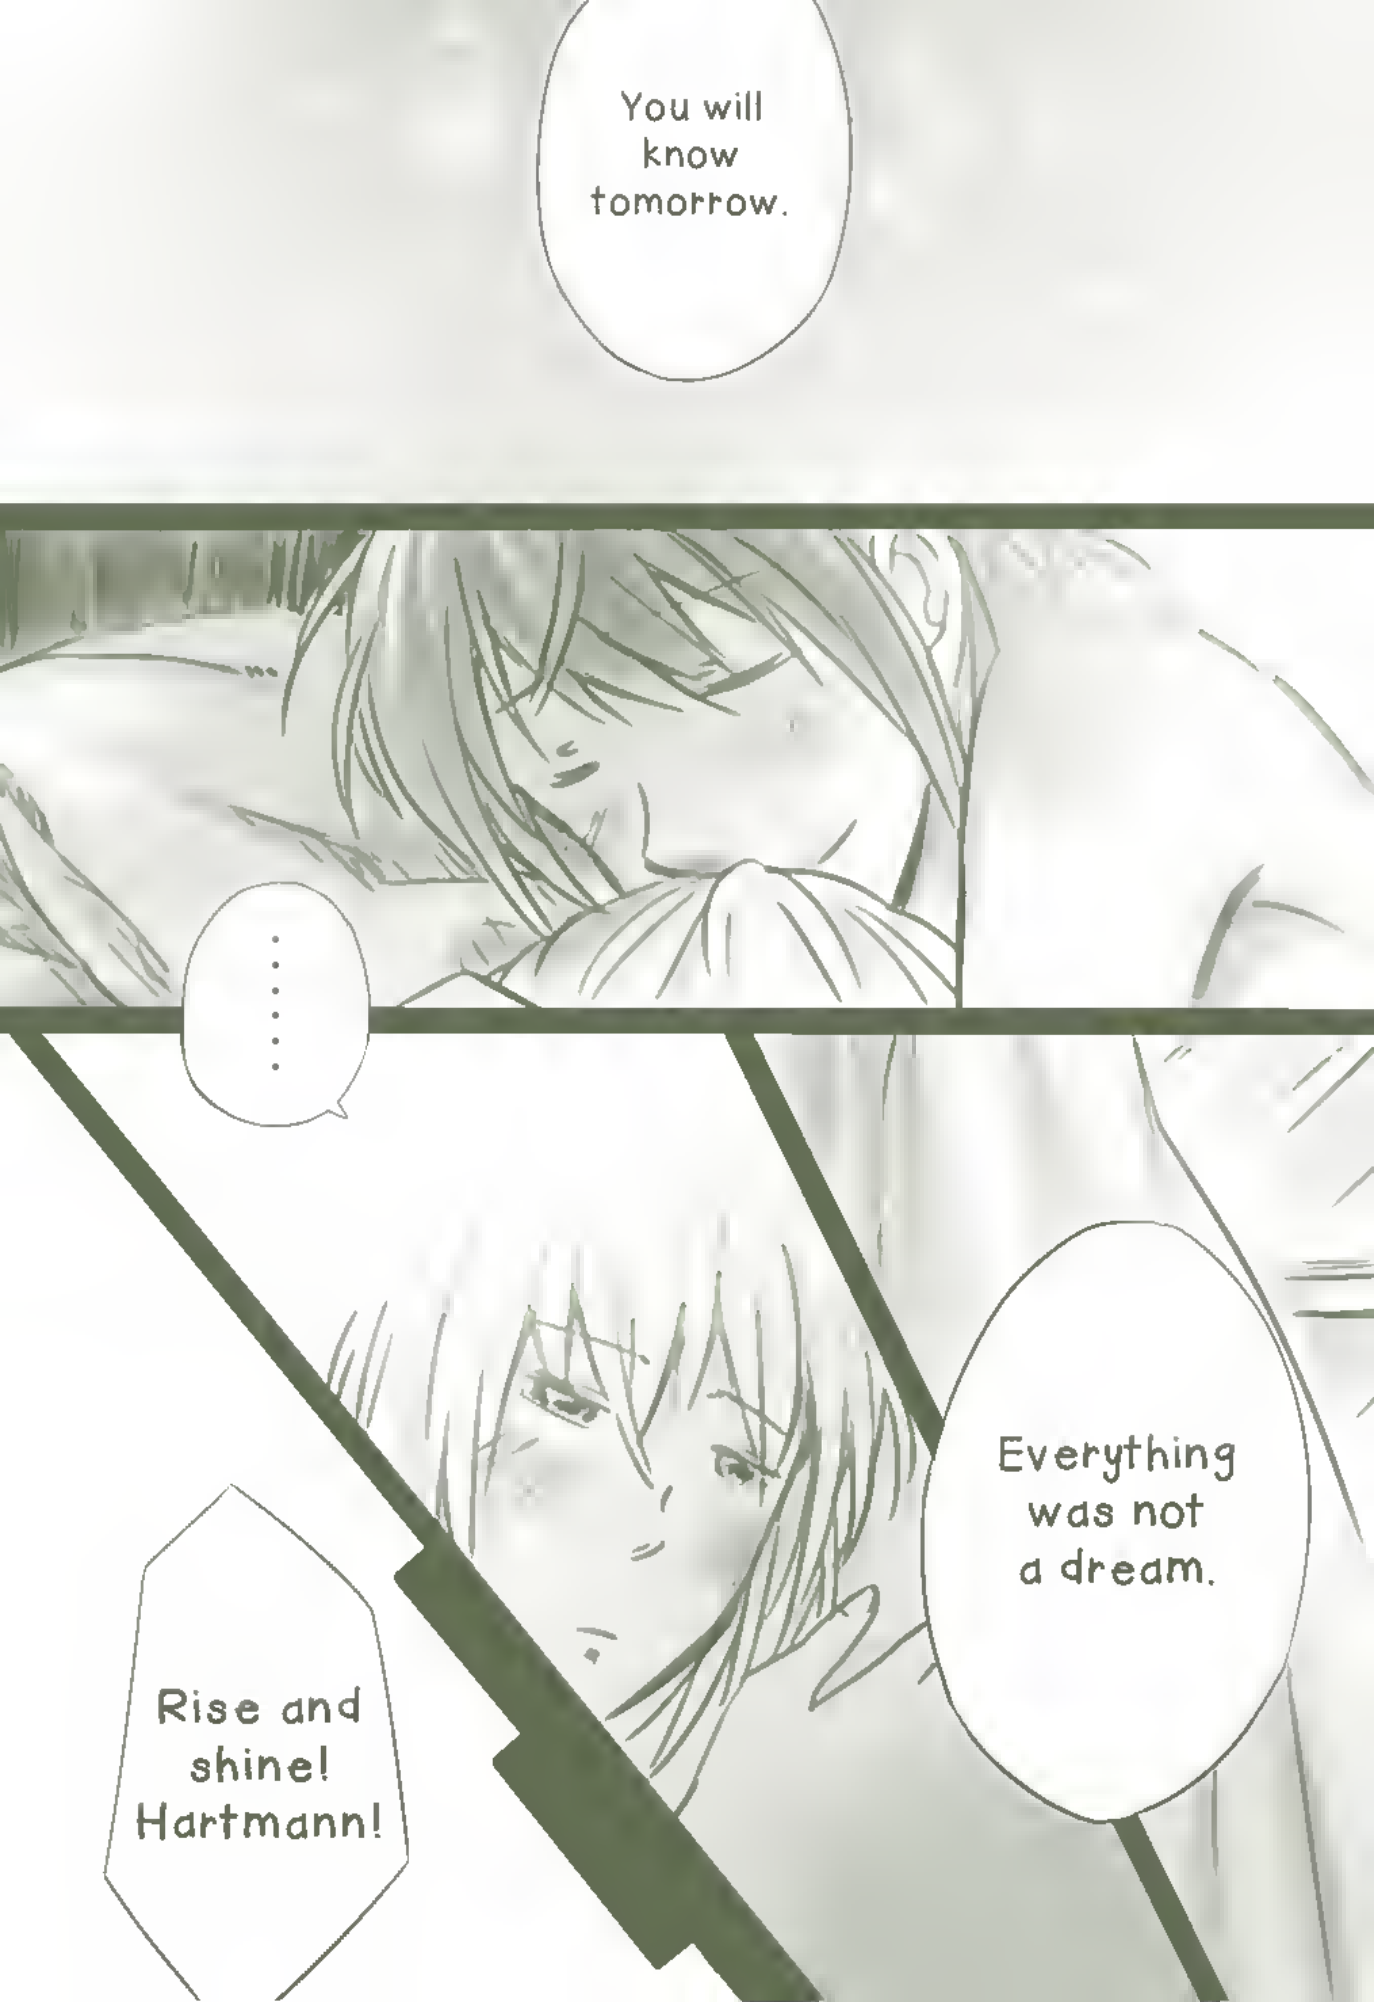
I don't know why and when.
My brain is full of you.
Even when washing clothes,

When writting letters
When helping sister
to get photos

Though I don't want to admit it,
I'm always thinking of you!



This is my answer and my only solution.
Why...
...have you changed all of a sudden?



You will know tomorrow.
.....
Everything was not a dream.
Rise and shine! Hartmann!

NOT ENOUGH SLEEP -!
Where were you saying?
What?
Ooo ...
Sober up!

I'll be going out for awhile! Wake yourself up while I'm gone.
Have a nice trip
Didn't I say you can't sleep!

No matter 1939 or 1948, I've already decided that I would spent my life with you.
